Hidden Treasures

An open submissions exhibition

Monday 6th December 2021 – Saturday 8th January 2022

As we come to the end of 2021, the time has come to dig deep in your studio, search through the stacks of work on the shelves, or packed away in cupboards, to find those hidden treasures within, and give them their chance to shine.

Something stunning or spectacular, twinkly, golden, frozen, festive, fun or just generally fabulous – we want those special pieces that for whatever reason have been overlooked or buried away, or that have just never seen the light of day due to the very strange and testing times we have been experiencing.

We welcome submissions from artists across all creative media - textiles, jewellery, installations, film, photography, music, written word and more.

We can't wait to see your Hidden Treasures and see them shine!
