

slow stitching workshop

beginners' embroidery - the first 6 stitches

with Amanda Seaborne

Fridays 23rd October 2020 12.30 - 3pm

the workshop

Join me, Amanda Seaborne, to learn the basics of embroidery. This beginners class will include all the basic techniques to continue this mindful craft at home.

Mastering these 6 stitches will enable you to create a wide range of designs. With a few simple tools it is possible to create something beautiful and this workshop will enable the complete beginner to go away feeling confident enough to embellish garments and homeware with their designs.

included in this workshop:

- materials and tools
- marking your design onto fabric
- getting started and finishing off
- the 6 stitches (worksheet to take home)
- start your first sample to complete at home

Materials will be provided, but please feel free to bring any fabrics or threads you would like to use.
